

GA-HR-06

Employee Grievance Procedure

A fair route for employees to raise concerns, receive an investigated outcome, and escalate unresolved matters.

APPLIES TO

Gardner Academy employees and relevant staff

AUTHORITY

Employment Contract clause 11; Annexure A

01 Purpose

This procedure provides employees with a fair, respectful, and documented way to raise workplace complaints or concerns without retaliation.

02 Informal resolution

Where appropriate, the employee should first raise the concern with the immediate supervisor and seek an informal resolution. A safeguarding concern, serious misconduct allegation, or concern about that supervisor should be taken directly to the appropriate senior person.

03 Formal grievance

If the matter remains unresolved, the employee may submit a written grievance to the Principal or designated representative. The written grievance should identify the concern, relevant facts, any steps already taken, and the outcome sought.

04 Participating in the process

After submitting a grievance, the employee must attend reasonably scheduled meetings, provide relevant information honestly, preserve relevant records, maintain appropriate confidentiality, and review the written outcome when received.

Escalation

An employee who is dissatisfied with the outcome may escalate the grievance to the School Board or Governing Body. The escalation should state why the employee believes the outcome should be reconsidered.

External remedies

Nothing in this procedure limits an employee's right to refer a dispute to the Labour Commissioner or Labour Court.
